

## Standing Height "P" Series Security & Storage Pedestals 19"w x 19"d x 38-1/2"h

The standing height security & storage pedestals are suited for a variety of under-counter cash handling, storage, and filing solutions. Our pedestals are designed to withstand heavy usage, making them ideal for bank teller's day-to-day transactions.

All cash pedestals have double side walls. Drawers operate on lifetime guaranteed Accuride® drawer suspensions.

Security pedestals are equipped with individual drawer and door locks and security pilfer plates between each drawer.

Storage pedestals (P-3BF & P-B2F) are equipped with a single control gang lock system.

See sample counter applications on page 50.
