

INTERNATIONAL FORTRESS TL-30

Achieves the highest degree of burglary protection in its class

- **Six-sided Composite Protection**

Revolutionary new composite material on six sides resists all forms of attack

- **Boltwork**

Massive 1.5" chrome plated bolts automatically extend with closed door

- **Door and Body**

Inner and outer layers of electrically welded steel combines with composite material and ceramic matrix for superior protection

- **Locks**

Includes dual Underwriters Laboratories Group 2M combination locks; optional high security keylocks or electronic combination locks can be added

- **2-Hour Fire Protection**

Independent laboratory tested at temperatures up to 1850°F for a period of 2 hours. Interior temperatures did not exceed 350°F.
